

## LEGISLATIVE TEAM

### **Lorie Sabo, Legislative Team Leader** (Erie 2 CC BOCES)

The Legislative Team is composed of representatives, alternates and Superintendents from member school districts. Team Members are the key communicators who link ECASB to lawmakers and the NYS Board of Regents. Some members are appointed by the NYSSBA Area 1 Director to serve on the National School Boards Association Federal Relations Network (FRN) & New York State School Boards Association State Legislative Network (SLN). Team activities uphold a belief that school boards must anticipate trends and present recommendations before legislative issues escape local influence.
