*The program is open to all ECASB members including:
Board of Education members, Superintendents, School Ad-
ministrators, District Clerks & Registrars.*

*J.A. "Tony" Olivo, LPI, CPCI will present an in-
formational seminar on school residency. The
program will educate the audience, as fiduci-
ary stewards of district funds, on the nuances
of school residency issues from the registra-
tion process through investigations and com-
missioner hearings. Legal questions will be
answered.*

*A vast majority of districts do little or no in-
vestigation or challenging of the residency of
students which in turn costs the district a
great deal of money in resources.*

*CSI (Corporate Screening Investigative) Group
has been conducting investigations for over 25
years and has seen quite a disparity in how
districts approach these issues.*
