Assemblyman Angelo Morinello was elected to the Assembly November 8, 2016. He represents Niagara County and part of Erie County, however the only school district that he represents that is part of ECASB is Grand Island.

He chose to run because in all of his interactions in his law career he has always been guided by strict ethical standards. Assemblyman Morinello believed that it was time to question the lack of standards in the legislature. In addition, his goals were to implement a workforce devel-

opment program, create jobs in Western New York and address the impact of drugs and violence on families in New York.

Prior to running for the Assembly, Mr. Morinello served as legal counsel to the family's business, Certo Distribution Company, he served as the former County District Attorney Assistant, counsel to Niagara Falls Community Development, a practicing attorney, and he served as a Niagara Falls City Court Judge from 2001 - 2015.
