Ask Alan...

Q: How often should I have my suits and sport coats dry cleaned?

A: It depends on the frequency of wear. If the items are stained or badly wrinkled - it may be time to visit the dry cleaner

Q: I work from 6:00 am until sometimes 9:30 pm when our board meetings end. What fabrics will wear best over the course of a long day?

A: Wool or wool blended suits wear better. There are many grades of wool, so you should have confidence in your Clothier to assist you with your purchase. If the fabric is too soft or flimsy, it may not wear well.
