other Board of Education members, maintain and improve the level of transparency within the district. Lee Ann's hobbies include gardening, reading, traveling and trying new things. Her mentors and heroes in her life include her Mother, who was a single parent, who did everything she possibly could to stay off welfare; and Anita Trinkley, who was her babysitter when her mother needed help and never asked for anything in return. Lee Ann and her husband have 3 dogs (an 11 year old husky mix, and two Great Dane mixes), so Lee Ann gets in many, many walks around the neighborhood and is able to talk to many community members. If anyone is visiting the Ken Ton UFSD community, Lee Ann would highly recommend Mike & Pop's, Spot Coffee, Mojo Market, and the Delaware North End. Additionally for activities, Lee Ann would recommend visiting the Tonawanda Aquatic and Fitness Center in town and the Golf Dome.
