

PROFILE

PATRICK BOYLE - ECASB President

As I grow older it amazes me, how often I am reminded, about just how much I don't know. ECASB exists to facilitate information/experience sharing between its' members and to give educational voices more volume with our local, state, and federal elected officials (our school's funding sources). Like most things in life, we get out what we put in – I look forward to meeting you in person at an ECASB's event. Thank you for all you do to help educate and guide the next generation!"

Patrick Boyle is currently in his thirteenth year as a Board of Education member at the Frontier Central School District in Hamburg. He has served as board president on three separate occasions during his tenure. Mr. Boyle has served on the ECASB Executive Board for the previous five years and this past year he served as Treasurer. In addition to serving as Treasurer he has served on the Budget and Finance Committee, the Delegate Assembly Committee and the Legislative Committee.

Patrick tries to live by the words of George Washington Carver "How far you go in life depends on your being tender with the young, compassionate with the aged, sympathetic with the striving and tolerant of the weak and the strong, because someday, we will all have been all of these." He ran for the board to promote education and to give back to the community. He encourages children and young adults to obtain as much education (formal & worldly) as possible. His goal is to ensure that those in the community that need special help receive it: the elderly, the financially challenged, and people with disabilities. Pat has served as Chair of the

Frontier District's Audit Committee, a member of the Student Achievement Committee and the Advocacy Committee. Within his district, he has served as the NYSSBA Voting Delegate for the Frontier CSD. In addition to his service to the Board of Education, Patrick is active at St. Peter & Paul RC Church as a Religious Ed. Teacher and an Usher. He is also an active Board member for OLV Charities (Father Baker's) in Lackawanna. Patrick has been married to his wife Rebecca for 39 years and has been a resident of Hamburg for 38 years. They have three children, six grandchildren, and an Irish Setter named Fiona. In 2020 he retired from National Fuel Gas Distribution Corporation as the General Manager of Information Services & Telecommunications after just shy of forty years at the company. Patrick has been able to utilize his education not only in his professional career, but in his work on the Frontier and ECASB boards. He holds a BS in Business Administration from the University of Buffalo and an MBA from Canisius University.
