away or at least find it quickly, and talking with the many people that come in or call on a daily basis. She likes the district because of it's small town, warm, friendly atmosphere.

Barbara feels that her greatest accomplishment is maintaining her sanity through the Covid Pandemic and raising her two children who have grown in to caring and responsible adults.

Her dream job would be to become a teacher. Her guidance counselor in the 70s told her there were no teaching jobs and to find a different career. Her father told her that she take the civil service exam when she was younger. Reflecting back, she should have taken her father's advice and not listened to her school counselor.

Barbara has three hero's in her life: #1 - Jesus, #2 - her parents, and #3 - Abraham Lincoln.

Her lifetime goal is to leave a legacy for her children and to be able to also donate some of her resources to worthy causes
