

Get to Know: **HEATHER JACOBS**

BOARD CONNECTION

By Dave Lowrey, Executive Director

Wife, Mother, Community Volunteer, & Alumnus of Iroquois CSD

Heather Jacobs is a 1993 Graduate of the Iroquois CSD where she was active in various aspects of school life. She is married to Andy Jacobs who is a part time administrator in the district, and is the parent of Carson (10) and Shea (9), who both attend the Iroquois CSD.

Heather chose to run for the board in May of 2021 because she wanted to volunteer her time to be part of making the best decisions in the district. I want to serve the community. As a new board member, I want to be a voice and advocate for the community and to continue to make decisions to have Iroquois continue to be a great school district. Heather is an alumnus of Iroquois CSD and has 6 siblings that attended Iroquois CSD. I am currently getting involved and learning what it takes to be a great board member. After graduating from Iroquois Heather attended the State University of New York at Buffalo where she obtained a Bachelors Degree of Science in Mathematics. She was employed by Marine Midland / HSBC Bank as a Y2K IT programmer right out of college and 25 years later, is still employed at the bank. She currently serves on the Financial Crime team where she has served the last 10 years. Ms. Jacobs has served on 8 different teams over the course of her career there. In her spare time, Heather enjoys photography, yoga, cycling and hiking. Heather's heroes are her children who have been resilient during the pandemic, as well as her grandmother Louise who taught her not to worry, because 99% of the items you worry about never materialize. If you visit the school district, Heather would recommend you visit the Barn Dog Distillery, the Marilla General Store and Kodiak Jacks.

Recipient of Leadership Awards at HSBC
