

Get to Know: **KELLY TUBERDYKE**

BOARD CONNECTION

By Dave Lowrey, Executive Director

VOLUNTEER FIREFIGHTER

On Call 365 Days a Year

Kelly Tuberdike is a graduate of Mount St. Josephs school, West Seneca East and Erie Community College. She is the mother of 4 daughters ages 30, 29, 14, and 12. Ms. Tuberdike ran

for the Board of Education because she wanted to help maintain an open and fair Board. In her tenure on the Board, she would like to focus on equality among all students and help to put a process in place to identify those students that are in need. Kelly has worked in Pediatric Dentistry of WNY for 10 years and is currently working in orthodontic and general dentistry for Suburban Dental and Arcade Dental Arts. In her spare time, Kelly enjoys golf, motorcycling and gardening. In the community, Kelly is a volunteer Firefighter, pump operator, and runs the banquet hall for the local fire department. Kelly indicated that she was published in a book called "Our Best". The book used to be used in the city of Buffalo when she was in fourth grade. Information that Kelly identified that may be of interest to other board members is that she has number dyslexia called dyscalculia. Dyscalculia is when numbers appear backwards. Mentors in Kelly's life are people that she encounters everyday. "You never know when or where someone's point of view can change the way you see things. I learn something new everyday."

If ECASB members travel through the Springville school district, they should definitely check out the Springville Arts Café. They have amazing food and focus on the arts.
